- 1) **LEASE TERM.** The initial term of this lease is for 12 months beginning on _____ and ending on _____. If the first month of the lease is not a full month it will be pro-rated. The Landlord/and or Tenant shall have the right to terminate this lease by giving a notice thereof 30 days prior to the expiration of the term of the lease, as herein above set forth, said notice to be in WRITING (state law requires notice to be from rent-paying date to rent-paying date). This notice must be presented to the Landlord on or before the first of the expiring month. If Tenant gives notice to move out prior to lease expiration date, an early termination fee of \$75.00 will be charged to the Tenant and rent and utilities must be paid until the end of the lease or until the property is re-rented.
- 2) **POSSESSION.** Landlord shall give possession to Tenant at the beginning of the lease term. If possession is delayed by Landlord, the rent shall be pro-rated.  - a. If all rent is not paid in full by the 5th day of each month, Tenant shall pay \$50.00 for delinquent payment. This late fee applies to each Tenant when the rent is late. It is understood that this payment of \$50.00 in unliquidated damages is not a penalty. A check that is returned for any reason is deemed non-payment of rent and is subject to late charges and an additional administrative charge of \$35.00 and may be charged without notice. Landlord may, at Landlord's option, demand all sums payable under this lease be paid by cashier's check or money order in lieu of personal checks. If Tenant fails to deliver written notice to Landlord ("Inspection Notice") within the 5-day inspection period referred to above of any damage, which existed at the time of the occupancy, then such failure constituted an admission that such damage was not there at the time Tenant took possession of property. A copy of the Inspection Notice shall be signed by all parties, and each shall retain a copy thereof. The Condition Report is not a Maintenance Request. If there are maintenance issues, please report them to RPM immediately. They will not be picked up from the Condition Report to be resolved.
